CENTER FOR VETERINARY BIOLOGICS NOTICE NO. 14-04

TO: Biologics Licensees, Permittees, and Applicants
Directors, Center for Veterinary Biologics
Veterinary Services Leadership Team

FROM: Byron E. Rippke /s/ *Byron E. Rippke*
Acting Director

SUBJECT: Availability of the Revised APHIS Form 2007

I. PURPOSE

This Notice is to announce the availability of a new Veterinary Biologics Form, APHIS Form 2007 (Form 2007), *Contact and Qualifications of Veterinary Biologics Personnel*.

II. BACKGROUND

The Form 2007 was updated to include contact information for personnel employed with veterinary biologics manufacturers. In addition, it allows CVB personnel to ascertain the employee has received training, education, and or experience necessary to produce products in compliance with the Virus Serum Toxin Act.

The update of the Form 2007 is in conjunction with the upgrade to the Licensing, Serial Release, Testing, and Inspection System at CVB. In addition, portions of the information on the Form 2007 were previously received by CVB through other means. This form is intended to replace the majority of these requests.

III. ACTION

The fillable PDF copy of the form, along with instructions for use, is available via the CVB website at
http://www.aphis.usda.gov/wps/portal/aphis/ourfocus/animalhealth/sa_vet_biologics/ct_vb_forms

IV. IMPLEMENTATION/ APPLICABILITY

The Form 2007 is available for immediate use; and should be utilized for new or revised submissions of personnel documents needing a Form 2007. Previously filed personnel information does not need to be updated.
